WHERE ARE WE IN OUR TRANSITION PROCESS?

Here is the step by step process followed in ECCT(the Episcopal Church in Connecticut). This is a Spiritual Process. We seek God's will for the congregation. We are not hiring an employee, we are calling a Priest, Pastor, and Spiritual leader. We have moved through many of these steps already!

- Rector announces departure **DONE**
- Wardens notify bishop and arrange to meet with the Canon for Mission Leadership (CML) to discuss state of the parish **DONE**
- Parish says thank you and goodbye as rector leaves **DONE**
- CML visits parish (presenting the Transition Process to the congregation, and meeting with the Vestry) **DONE**
- Interim arrives **DONE**
- Transition Consultant (TC) appointed by Bishop, meets with wardens and Vestry, plans retreat to select Transition Team members (usually 4 committees: Prayer, Discernment, Recruitment, Hospitality) **DONE**
- Transition Team is commissioned at Sunday services **DONE**
- TC works with Transition Team and Vestry to plan parish discernment involvement in discernment work **DONE**
- Discernment Committee gathers data from congregational meeting(s) and any other sources and begins discerning: *What God is up to in the neighborhood? How is parish called to participate more fully and faithfully in this mission? Then: what kind of leaders does God need?* – Answers to these questions are then used to complete OTM, TMC forms and Transition page on website. **BEING FINALIZED**

DISCERNMENT BEGINS TO TRANSITION TO RECRUITMENT

JOIN US ON SUNDAY JULY 14 11:15 am – 1:30 pm

Our Transition Consultant, the Rev. Bevan Stanley will join us once again, as our Discernment Team presents their findings and asks for parish feedback as the final profile is created.

A Few Pilgrimage Thoughts - From your Interim Priest-in-Charge

(The difference between being a pilgrim and a tourist: a tourist passes through the land, a pilgrim allows the land to pass through her). A pilgrimage to the Holy Land means visiting sites that for centuries have been places where Christians remember, recite, and honor the sacred stories we hear in church every Sunday. One of the holiest of Christian pilgrim sites in the world is the **Church of the Holy Sepulchre** in Jerusalem.

After more than 200 years of Christian persecution at the hands of the Roman Empire, Emperor Constantine I rose to power and converted to Christianity. In the year 313 CE, he issued the Edict of Milan legalizing Christianity and allowing for freedom of worship throughout the empire. His mother, Helena, also was a follower of The Way. While in her 80's, she traveled the pilgrim's walk to Jerusalem. There she found a pagan temple built over (hiding) a site believed to have been where the early Christian community held liturgical celebrations until the city was overtaken by the Romans in 66 AD. That site was believed to encompass both Golgotha (Calvary), where Jesus was crucified, and the tomb where he was buried. At her urging, her son Constantine, excavated the pagan Temple and built the Church of the Holy Sepulchre, also known as the **Church of the Resurrection**. The Constantinian church was much larger than the one that stands today. The city of Jerusalem has been fought over, conquered, destroyed, re-built, and fought over again and again in the past 1800 years. In many ways, this *building* is a living testimony to the state of the Church, which has had to re-imagine over and over how the Resurrected Christ lives on in this world.

Palestinian Christians are descendants from the first Christians – those who were there when the Spirit fell among the crowd during Pentecost. And they were the first to venerate the holy places, the actual stones, where Jesus walked, taught, healed, was betrayed, and suffered until His death and resurrection. Those who remain in our Holy Land are often called **Living Stones** because they continue to keep the presence of the Resurrected Christ alive. A pilgrimage to the Holy Land is also an invitation to us to become **Living Stones** in our own communities. How might our buildings, our space, our surroundings, our *stones*, be more visibly alive with hope?

Rev. Lisa

A Journey through our Holy Land through Scripture and Pictures

Later this summer, Rev. Lisa will offer a pictorial journey for those who would like to see and hear more about her pilgrimage. Stay tuned for details!

In the meantime, Bishop Suheil Duwani, Archbishop of the **Episcopal Diocese of Jerusalem**, sends his greetings so that we can put a face to the name we added in our Prayers of the People.

Archbishop Dawani met with our pilgrim group to share the work of the Diocese of Jerusalem. The Diocese covers Israel, Palestine, Syria, Lebanon, and Jordan, and is in the same Anglican Province as Iran – talk about ***Living Stones!*** He shared stories about the three missions of the diocese: pastoral care, the institutions, and interfaith reconciliation. The diocese owns and operates about 16 schools, two major hospitals plus a number of clinics and several residential and outpatient institutions for those with disabilities. As you can imagine, the Episcopal church is a small minority within the small, struggling Christian minority in the Middle East. The schools and hospitals are the visible and substantial way in which the church can share the ministry of tolerance, respect for differences, and reconciliation. They welcome all, regardless of ethnic, religious, or economic background. Muslim families pay tuition to attend Episcopal schools because of the values their children are taught. We should be extremely proud of this work. It's the part of our family in our Holy Land that we can support through prayer and gifts.

And finally, from the Pilgrims' Blog (additional pilgrim reflections found on Diocesan website)

Here I Am, Lord

So many “thin places” – experiences where the veil between heaven and earth is so thin, that the power and feel of Divine Presence breaks my heart open. In the Church of the Agony, the Garden of Gethsemane, reflecting on Jesus' plaintiff prayer, “Not mine that will be done” a group of pilgrims from the Philippines began a worship service around the altar. Their offering song (in English!): “I the Lord of Sea and Sky.” Tears sprang up in my eyes. That song, “I have heard your people cry,” that “yes” to God's invitation, “Here I am Lord, is it I Lord, I have heard you calling in the night” ...that beckoning into an unknown life ... “I will go Lord if you lead me, I will hold your people in my heart” ... coming from Jesus' own agony and Jesus' own trust, into my own heart once again ... and so much more deeply than ever before. (*Lisa Hahneman*)

Growing in Faith Ministry – from Jean Todaro

We had a wonderful Spring program this year. I'd especially like to thank Denise and Jeff for faithfully leading our Dwelling in the Word Bible Study every Monday evening. I'd also like to thank Karen and Mimi for pulling together the movie night where we saw the Green Book. Rev. Lisa led a truly inspirational Lenten quiet day that included a labyrinth. I'm so thankful to have had so many people to help us have a vibrant journey together towards Jesus.

And the year is only half done! We have a book study this summer and it's not too late to join. We will read "**Waking Up White**", by Debby Irving. This book shares Debby's story as she became aware of the privileges she has taken for granted simply because of the light color of her skin and how her "waking" has moved her to work to change the system. In this way we are joining in the national conversation about racial reconciliation. We plan on two study groups with meeting times to be determined by those who sign up and hope to have a facebook study group too. Keep an eye on the calendar for times if you didn't sign up but want to join in.

Over the summer we will be planning other opportunities to grow in faith for the Fall season. The Bible Study group has been enjoying Dwelling in the Word, and you can look for that to resume after the summer break.

Confronting the Slave Trade in our Back Yard: Pilgrimage July 13

Our Diocesan-wide Racial Healing, Justice, and Reconciliation Ministry Network is organizing pilgrimages as opportunities for Episcopalians in ECCT to participate in the Season of Racial Healing, Justice, and Reconciliation. The next opportunity is **Sat. July 13, Brooklyn CT and Providence RI**. Meet up at Trinity Church, Brooklyn at 9 a.m. and take a short bus trip to Old Trinity Church, Brooklyn, built by enslaved persons; then travel to Providence RI by bus for a two-

hour walking tour of the city with the **Center for Reconciliation** to learn more about the international slave trade. \$65/person, lunch is NOT included; please bring your own. For more information and the online registration link, please contact Rev. Lisa at ldhahneman@sbcglobal.net.

A second pilgrimage is being planned for this November, a Saturday/Sunday to the **National Museum of African American History and Culture** in Washington, D.C. Details to follow.

Bulletin Boards: In giving up Bulletin Boards for Lent, we sought to understand what you would miss, and thus what you want to know more about. Now is the time for our various ministries to re-create your information hubs. If you want anything that was saved from your former bulletin board, please talk with Jeanne Todaro. We also decided that it would be good to have an Events and Sign Ups bulletin board with all the events and sign ups in one place, so it's easily accessible. These will be the bulletin boards across from the lower level restroom nearest the sanctuary. Be sure to check them out in the coming weeks as we start to use them.

Meals on Wings Ministry – a reminder from Shirley Ferrarone

I would like to remind everyone about our Meals on Wings ministry. We have wonderful volunteers who offer to provide meals to parishioners in times of need. This can be for those who are ill following a hospital stay, surgery, injury, birth of a baby or just when you need a little help. Please let us help. Call Shirley Ferrarone. 203-748-6392. Also, we welcome additional volunteers.

People often ask, "What exactly is a Stephen Minister?"
One way to put it is that Stephen Ministers are
the ***After People***.

Stephen Ministers are there:

- ... *after* the phone call you hoped you'd never get.
- ... *after* the divorce papers are served and the bottom falls out of your life.
- ... *after* the funeral, when everyone has left and the emotions you've held at bay come crashing in on you.
- ... *after* the doctor says, "I'm sorry, but there's nothing more we can do."
- ... *after* the nursing home director shakes your hand and says, "Welcome to your new home."
- ... *after* the last child honks the horn, waves, and drives away—and the house suddenly seems empty.
- ... *after* the gavel goes down, the handcuffs go on, and your loved one is led away.
- ... *after* the baby arrives, demanding more of you than you ever dreamed possible.
- ... *after* you find a pink slip with your final paycheck.
- ... *after* your family and friends have heard your story one too many times, but you still need to talk it out.

If you would like to know more about Stephen Ministry or would like to talk to a Stephen Minister please contact Janet Brown (203-798-1023) or Jeff Chowanec (203-610-7490) our Stephen Leaders.

Thank you for your continued support of El Hogar!

"Great things are achieved by a series of small things brought together."

Erika Skafel, Coordinator of North American Relations for El Hogar.

We are accomplishing a great thing here at Saint James' as our individual members consider what small contribution we can each make toward the support of our student, Maria de Jesus Roque. **At this writing, we have raised \$4800 of the \$5400 needed to support Maria for 2019!** This ten-year-old girl is blessed by our support. We, in turn, are blessed

knowing that we are responding to God at work in our hearts. As our sacred scriptures tell us, "If anyone with earthly possessions sees his brother in need, but withholds his compassion from him, how can the love of God abide in him?"
1 John 3:17

This year El Hogar celebrates 40 years of service to children and families in Honduras. Thousands of students have passed through their doors for an education that otherwise would have been impossible. Students who have graduated from El Hogar enter the world with greater optimism and opportunity. **That is precisely our prayer, hope and dream for Maria.**

Honduras is a very beautiful, but poor and dangerous country. The children of El Hogar are truly wonderful and worthy of our help. Going forward, El Hogar will continue help one child at a time, like Maria, but now they are also beginning to engage with the mothers, families, and neighborhoods surrounding their school. Their work is focused on breaking the cycle of poverty that brings kids to El Hogar in the first place. **Our goal in working together is to make El Hogar a clear alternative to the Caravans by providing children with education and job skills, while also helping to make their communities healthier and safer places to live.**

Dear Friends of El Hogar,

Thank you for renewing your annual sponsorship of Maria de Jesus Roque! As a *Child Sponsor* with El Hogar, you're empowering all of our students to gain a quality education and the self-confidence it brings.

Your gift of \$3,000.00 not only puts an education within their reach, but also provides them with a safe home that includes dedicated staff members who give each child the attention, guidance, and love they deserve.

Your partnership with us ensures that our students have access to all the tools needed to build a firm educational foundation. With that in place, they're able to focus on pursuing their goals. Whether those include going to college, starting a business, or finding meaningful work to support their families, your support helps them chart their own paths as they move ahead.

Our Honduran staff members work diligently to give students the love, care, and attention each of them deserve.

As a *Child Sponsor*, you receive:

- A photo and information about your sponsored child
- One letter each year from your sponsored child
- Access to school progress reports
- One limited edition bookmark per year

I'm grateful for your continued generosity and commitment to El Hogar's children. Thank you for your support!

With Gratitude,

Timothy S. Monroe
Executive Director, El Hogar Ministries

*This generous support
will help so much!*

- **Call to Order** - meeting was called to order
- **Opening prayer – was said by Lisa**
- **April Vestry minutes** were approved, 1st by Joe and 2nd by Susie, all agreed.
- **Brief Reflection on Clergy Conference/Faith Formation –**
 - Lisa gave a brief overview about the Clergy Conference and the discussions that were held during the conference.
 - Faith Formation will be reading “Waking Up White” – We discussed ideas for those who would like to participate, but may be away on vacation or just not able to make it that day. The thought was to create a Facebook group and all could post comments. Jeanne is looking more into this.
- **Transition Update -**
 - Discernment meeting update – The team is in the process of conducting the focus groups and all is going well. We will be having our last 2 focus groups after both 8am and 10am Sunday services on 6/16/19. We are hoping this will involve all that have not had the chance to be part of any of the other focus groups and want to. The team will then gather all of the feedback and pull it into one document for all.
- **Committee/Ministries**
 - **Property /Building & Ground Update:**
 - Ricky has asked for some help with resetting the automatic timer on the front lights.
 - Allan asked if Linda can let the committee know how much money is in the Memorial Garden Fund. He is considering what he might be able to spend for plants this year beyond what he usually

contributes himself. It was discussed and asked if B & G could come up with a long term plan we could take a look at.

- Sarracco Mechanical Services has refunded \$642.72 to St. James'. Apparently, sometime in 2018 a service that they had performed on the water boiler had been billed and paid for twice. This came to light when they submitted "Past Due Bill" for an annual service that they were no longer contracted to perform. When asked to check their records, they realized their mistake.
- Next Tuesday morning, June 4th. The Krueger Company is scheduled to replace a deteriorating domestic water line in the crawl space of the Parish House. Water will need to be shut off in the building for several hours while this repair is made. They will do this work on a time and material basis with an estimated cost for the work of \$1,200. A \$600 deposit has been paid for the work to proceed. (For comparison, The Otto Company provided a fixed cost proposal of \$2,280 for this same work.)
- Regarding the deteriorating Lounge fireplace chimney, the stucco on the chimney above the roof line has been falling off. Previously, we received a proposal to remove all loose stucco and install new wire lath and stucco on the chimney above the roof line from ANG Construction for \$6,800. We received another rough estimate based on photographs I sent them ranging from \$8,000 to \$12,000. Since then, we received a quote from "Allied Corp.", a company that specializes in chimneys, who gave us a quote with 3 options. (Bill Hutchinson had used this company at his house and had been pleased with the results.) The technician who came to the site suggests that moisture within the chimney possibly from the top or from the flue is causing the faces of the brick to fail, pushing the stucco off. His feeling is that installing new stucco would be a temporary fix and it would continue to fail. The 3 options he proposed is as follows:
 - a. Decommission the chimney removing the portion above the roof and capping it off. \$3,600.00

- b. Remove the chimney down to the roof line and install an approximately 15 foot long section of stainless steel flue with cap and weather guard. (the fireplace will still function) \$6,000.00
- c. Remove the chimney down to the roof line and rebuild the chimney from the roof line up with new brick and terra-cotta lining to the existing height and install a stainless steel cap and weather guard. \$10,500.00.

A motion was made by Janet and 2nd by Lyn to decommission the chimney. All agreed. Carolyn will let Gary know and to please thank Gary and Allan for their help.

- A request by The Red Cross to host a Blood Drive at St. James - A discussion was had and a Saturday in July might be good. All agreed. Lisa will reach out to The Red Cross and see what would be a good date.
- A request came in from Appletree Day Care to use our church playground – A discussion was had about safety, liability, code standards, parking etc... The Day Care would give a \$150 a month donation to use the playground M-F for 1 to 2 hours a day. A Motion was given by Linda and 2nd by Lyn to have Lisa move forward and find out more.
- Prayer Wall Upkeep – A few have complained about the condition of the Prayer Wall and have asked us to take it down. A discussion was had and we will redo the chalk board paint as upkeep. Joe will contact the sign guy.
 - A motion was requested – *Any Buildings and Grounds work done that exceeds \$500 is considered Capital Improvement.*
The motion was 1st by Jean and 2nd by Lyn. All agreed.

- **Director of Religious Education –**

- Kerry's last day will be 6/9/19. A discussion was had about what we would like to get her as a thank you gift. One gift was decided to be a framed photo of St. James' and something else.

- A discussion was had about if we want to find someone to replace Kerry or can the members of St. James' take this on ourselves. The decision was made to discuss further over the summer what our next steps will be.
- **Upcoming Region/Diocesan Events -**
 - A reminder about Safe Church Training is 6/1/19. If you can, please bring something for a breakfast snack, as there will be about 50 people there.
 - ECCT Annual Convention – 10/26 – 10/27 - A discussion was had about our two delegates, Dan and Marion, and that we need to have an alternate in case one is unable to make it. Joe motioned that we should ask Mimi and Carolyn 2nd. All agreed.
- **Old Business -**
 - Rev Lisa will be away on the ECCT Pilgrimage to the Holy Land 6/9 thru 6/23. The Rev Marilyn Anderson will be our Supply Priest.
 - The Rev Bevan Stanley (Transitions Consultant) will be joining us on 6/16/19 for both services.
 - The Rev Norman Schmidt will provide pastoral coverage (hospitalizations/deaths) if needed while Lisa is away.
- **New Business (for next month's agenda) -**
 - **Update our Mission Statement (both for webpage information for clergy discerning a call to St. James' and to focus our own transition conversations)?** Discernment Chair Chris Kuell offered this as a draft for Vestry consideration: *Saint James' Church proclaims the Good News, embraces Episcopal traditions, and ministers in the name of Jesus Christ. We are dedicated to providing food shelter, clothing and compassion to those in need. We are open and affirming, growing in faith through worship, stewardship and education.*
- **Next Vestry Meeting** will be 6/18/2019
- **Closing Prayer** - The closing prayer was said by all
- **Meeting adjourned**

We Know the Great Love and Devotion our Members Have or God's Mission and our Life Together - so ...

Please make sure you remember St. James' in the summer. If you are out and about vacationing and enjoying the nice weather you might miss a pledge payment or two. We ask that you try and keep your pledge current as we do have monthly commitments that need to be made. An easy way to do this and NEVER get behind is to set up automatic payments from your banking institution to the church. They will cut a check and mail it directly to the office based on the frequency you tell them.

As of May 2019 we are \$16,000 behind in pledge so if you are behind anything you could do to get caught up would be greatly appreciated. If there is a pastoral issue that is not allowing you to keep up with your commitment please reach out to Rev. Lisa.
