A Mother's Day Prayer to Honor all Women

Gracious God, on this day of celebrating your love, we lift up to you those women who have given us life, those who have loved us, those who have blessed us, those who have taught us, and those who have cried for us, on our behalf. For some, that would be our mothers. For others, perhaps it would include a sister, an aunt, a grandmother, or a dear and cherished friend. May your blessing pour out upon all of those beautiful, strong women who have been role models for us along our journey. For in them, O God, we have seen a glimpse of your very own image: love that is both gentle and fierce, both strong and humble, both kind and true. Thank you for the gift of women who have taught us to know you more fully. And finally, God of all mercy, for all who are missing their mothers whom they love and yet see no longer, console them as they mourn and fill their hearts with gratitude for the love shared. We offer our grateful hearts in the name of your Son. Amen.

MOTHER'S DAY BREAKFAST

All our welcome as we celebrate the Mothers in our lives. Plan to stay after the 8 am service or come early before 10 to be part of this special day. If you are available to assist with the meal preparation, please contact Dan Cox or Jehad Sabbagh.

ECW ANNUAL MOTHER'S DAY BAKE SALE

Calling all bakers! ECW is holding its annual bake sale on Mother's Day, May 12 in the Parish Hall and is looking for donations to make this happen. What's up with all of this *conversation* going on around Saint James'? Discernment Team focus groups and Financial Feasibility interviews, Laundry Love collaborative planning meetings, buildings and grounds gatherings with energy auditors and a Cooperative Power Alliance, Diocesan Spring Training workshops with 400 Episcopalians around Connecticut *talking with and learning from each other*. The list goes on.

The word “conversation”, or dialogue, means simply to engage another in an effort to seek greater understanding. A similar word is “*rapprochement*”, which means in effect: walking side by side. It is a word that epitomizes God’s magnificent character, as well as God’s actions toward us, and provides a guide for us as well. Former Archbishop of Canterbury, George Carey, once said that “we cannot speak of God unless there is some agreed upon basis upon which the divine reality can be established.” And so, we at Saint James’ are in the midst of a wonderful conversation as we seek to find that common ground. *What are we looking for in our next Rector?* More importantly, we are seeking to lean into *what is God up to in our midst, and how are we to join in that work?*

How do we learn how to engage in this conversation? As Christians, we gather in community worship to learn how to see God in the world about us. We gather to hear God’s words unfold to help us understand that each person who enters into our world of reality is someone God created and loves. Through such learning, we can begin to encounter the “other” as someone who mutually shares God as Creator, Redeemer, and Sustainer. As we strive to simply accept that wonderful reality, then we begin to take the other seriously as a brother or sister in Christ in such a way that our encounter leaves room for Christ’s presence to be made known in a new and deeper way.

The struggle with conversation is that if it truly is to be mutual, if the listening to and learning from becomes two-way, then we find ourselves becoming open to the ability to act in a way that brings change. And change is always frightening. But, as we are witnessing, this conversation is also energizing, exciting, uplifting. In walking side by side with each other, we cannot try to call ourselves back to where we were, and we cannot try to call others to where we, individually, are, as beautiful as that place might seem. We must have the courage to walk with each other to a place that none of us has ever seen before. Because, chances are, that is where God will be most present!

Chris Kuell – **Chair** Jill Kuhn Karen Montecalvo
Donna Tuck Victoria Woody (**Vestry Liaison**)

We want to hear your thoughts, hopes and dreams that will lead us to our next Rector. Please consider attending one of our Ministry Committee's focus groups in May, even if you are not a member of a committee. These focus group conversations will be held:

- **Sat. May 18, 10 am** (for ECW).
- **Wed, May 22, 7 pm** (for Mission).

All meetings – with the exception of this Tuesday, see note below – will be in the Parish Hall. And don't worry—if you miss these, there will be larger focus groups after both the 8 and 10 am services on **Sunday, June 16**. Don't miss this opportunity for your voice to be heard.

We request you consider the following questions in preparation:

- ***How is Saint James' doing in meeting your spiritual needs?***
 - ***What do you want as a member of Saint James'?***
 - ***What do you like about Saint James'?***
- ***What characteristics are you looking for in a new rector?***
 - ***Does Saint James' need a full-time rector?***

Now HERE is where your real theological imagination comes into play:

It's 2022 and our new rector has been with us for three years. Describe our parish's three most exciting, energizing, significant accomplishments. More people and more money CANNOT be on the list.

Laundry Love

So you've heard about Laundry Love for the past few months and are still curious. You've seen the brochures that explain what it is and how we plan to begin a collaborative effort with 11 other faith communities in the Danbury area. So it's time for an update. Teams have been researching area laundromats and potential clients who are in need of assistance to have clean clothes to wear in order to find/hold jobs or be welcomed by classmates in school. The plan is to begin with a Laundry Love event once a month and see how it develops. More details will follow when we have established a partnership with a laundromat. Each of the participating 12 faith communities has pledged \$100 a month to fund the initiative.

The big question now is: **HOW CAN I HELP?** *Thank you for asking.* There are 4 ways you can help.

1. You can donate used sneakers and shoes to an organization known as Got Sneakers. There is a large box in the sanctuary with the label, Got Sneakers on it. For each pair of sneakers or other shoes donated that are in wearable condition (no holes), we will receive \$1.00. Shoes should be tied together to facilitate separating them when they reach their destination. Shoes will be sent to schools and other organizations in developing countries. All sizes are acceptable. So, you can donate, as can your children or grandchildren.
Single shoes are not accepted.
2. You will find on the table at the back of the church, a purple laundry jug with a Laundry Love label on it. We ask that you drop your loose change in it as you enter or leave the church on Sunday. Please feel free to drop in dollar bills or a check (made out to St. James' with a notation **Laundry Love** on it).
3. Money donated to the Lenten **Love Offering** boxes will help St. James' start the Laundry Love fund. If you did not pick up a Love Offering box, you may write a check and put it in an envelope and drop it in the offering plate (made out to St. James' with Laundry Love indicated in the notation).
4. You may also consider volunteering at some of our Laundry Love events. We are seeking volunteers who will greet our clients and direct them through the laundromat, helping them start the machines once clients have identified which ones they will use and have put their laundry in the machines.

We hope you will pray on these ideas which require little of your time, talent and treasure, but will go a long way in bringing the kingdom of God closer to our neighbors in need of financial assistance, dignity and a friendly neighbor. By sharing what you have, you will be walking *The Way of Love* as you live out our baptismal covenant.

Worship Committee

Words are not enough to thank all of those who put their time and talents to above-and-beyond work and helped create a meaningful Holy Week. Choirs, Acolytes, Chalice Bearers, Ushers, Altar Guild, Lay Readers, and Healing Ministers! We are always looking for those who are interested in participating more actively IN worship and/or on the Worship Committee. Your time and talents are always appreciated.

Growing in Faith

We are working to put together a movie night for adults in early June, so keep your eyes peeled for more information. We had a great time at the last one, which was a wonderful uplifting movie called All Saints. I'd highly recommend it.

Monday nights at 6:30 PM we meet in the choir room and have lively discussions about how our Sunday readings impact us today. It's a great way to go beyond the Sunday sermon and really delve in. We use a study process called ***dwelling in the word*** that anyone can do. All are welcome to come any weeks you want. Each week we start a new discussion.

Lastly, I'd like to explore the idea of a remote study of some kind, perhaps a book. I know that it can be very difficult or even impossible to join a study group at a set time and place, and yet a yearning to be closer to God calls to you and you want to share the journey with people you know. With more and more study being done online, it seems like something worth trying out. If this exploration sounds appealing to you, please contact me at todaroj@aol.com.

Jeanne Todaro, Chair

Hospitality Committee

The Hospitality Committee is always looking for new members! We try to take the perspective of an outsider looking into St. James'. What about our church is welcoming? What needs improvement? How can we reach out to visitors?

Here's one idea: *Do you have a little time to spare on a beautiful day? Bring your own chair, (refreshments to share are optional) and chat with the people who write on the Prayer Wall. This is a great way to reach out to the community and take advantage of the gift of our downtown location.*

We usually meet on the 4th Tuesday of the month at 7 pm in the library. The meeting for May will be rescheduled due to vacation. Stay tuned.

Thank you! *Beth Cox, Chair*

Religious Education for Children and Youth

These past four years at St. James' as Director of Religious Education have been truly wonderful and you are all family to me. It is with great sadness that my last day at St. James' will be at the end of the school year on June 12th. I made this decision based on the need to spend some extra time with my family, as well as balancing working at an additional workplace.

I would like to thank all of you for your support in me during my time here, especially Rev. Lisa with your guidance and encouragement. I have gotten to know many of you and I have enjoyed so many terrific conversations and visionary ideas from you. No one is an island and without your help, I could not have done what I have done during my time at St. James'.

I have enjoyed my time working with the children and youth at St. James'. I have seen the Pre-Confirmation class become confirmands, then Youth Group members, and then continue on their own journey to college and beyond. These are an amazing group of young adults that are ready to make their mark on the world. I have seen the children grow in leaps and bounds in Godly Play with their knowledge, enthusiasm, and energy as well as see them flourish in the Church School Choristers and Camp Jubilation. They are amazing as well. I am so glad that I got to be a part of their journey here at St. James. Many thanks to the Godly Play parents and doorkeeper assistants for supporting what I do in the classroom.

There are so many people to thank individually and I will be having those conversations during the remainder of my time here. I thank you all from the bottom of my heart and I promise to keep in touch.

Blessings and Peace- Kerry Santoro

**Please Join us Sunday June 9 (Pentecost Sunday)
to celebrate the many gifts of the Holy Spirit
among us, including Kerry's care for our children.**

**Attention Parents/Children/Youth:
Jubilation Camp is on hiatus this summer**

Due to transition and staff needs, we have decided NOT to offer this opportunity this summer. In the meantime, **families with children stay tuned** for opportunities geared to your faith needs!

Is God Calling YOU to Co-Sponsor Maria de Jesus Roque, Our Student in Honduras?

The website for the Episcopal Church of Connecticut has a simple and beautiful description of God' Mission, part of which reads: *God co-missions us in baptism to participate in God's mission of restoration and reconciliation.*

We may ask, how do we join God, participating in his mission? The web site goes on to say, *Wherever, and whenever, the restoring, reconciling love of God in Christ through the Holy Spirit breaks into the world to "make all things new", there is God's mission.*

Here at Saint James' we carry our participation in God's mission to our neighbors, wherever they are found! Some people ask, why support a child in Honduras, when we have problems close at hand? We know how to answer – God himself tells us who to serve, as Psalm 10:14 so beautifully affirms: *You, God, see the trouble of the afflicted. You consider their grief and take it in hand. The victims commit themselves to you; you are the helper of the fatherless.*

We are one parish, supporting one child, which we have faithfully accomplished since January 2017. We are swiftly closing the gap on our yearly pledge of \$5400 to support Maria's life at El Hogar, in Honduras. As many of you know, Maria is now 10 years old and has been living at El Hogar since she was six. Maria and her sister Hilda were found wandering through a village in search of their mother, who had left home to get medical care for their baby brother, and was never seen again. God, in his mercy, brought these children to El Hogar, which now provides them with a loving home, an education, and spiritual formation.

We cannot solve all the problems in Honduras, *but we can solve one problem in Honduras*: we can ensure that Maria has our prayers and our financial support for 2019. It is our hope, our prayer, our commitment that Maria grows to live an independent, healthy, safe, productive life in Christ.

We need \$1000.00 more to meet our commitment for 2019. All gifts of any size are lovingly received and gratefully accepted. *Speak with God today and ask him what he expects of you.* If God moves you to be part of his mission in this way, make your donation by check to St. James Episcopal Church **and put El Hogar in the memo.** If you have any questions, or would like to be more involved in this ministry, contact Christine DiMeglio (203-730-8884, Christine.dimeglio@yale.edu).

Rapid Study Financial Feasibility Summary Results

Study Overview

In conjunction with the Episcopal Church in Connecticut's *Joining Jesus* Initiative, that aims to support parishes in more faithfully participating in God's mission, St. James' participated in a Feasibility Study with the assistance of a professional consultant firm. The intent of the study was to evaluate our capacity (readiness) for a financial campaign that would benefit both St. James' and Diocesan initiatives. **Our DEEP thanks to the 29 parishioners who agreed to be interviewed!**

These strategic conversations and the input received enabled us to consider:

- Overall perceptions about St. James'
- Reactions and advice concerning prioritizations of potential projects in the parish and the larger *Joining Jesus* campaign
- The timing and capacity for a proposed financial goal of \$600,000

Overall Perceptions: The most commonly cited strengths of St. James' were its welcoming and friendly environment, engaged parishioners and mission and outreach activities serving the local Danbury community. Concerns noted multiple times were low attendance and the need to attract new members, aging parishioners, and financial stability. Location and parking and the high costs of maintaining the buildings were also mentioned as concerns.

Reactions about prioritizing potential projects:

When asked what elements should be included in a future capital campaign:

Projects prioritized as most/somewhat compelling

Within St. James'

- | | |
|---------------------------------|-----------------------|
| • Repurposing spaces | 58%/32% respondents – |
| • Handicap accessibility | 80%/20% respondents – |
| • Energy efficiency of building | 67%/25% respondents |
| • Adding to endowment | 44%/38% respondents |
| • Mission and Ministries | 15%/77% respondents |

Within our Region or larger Diocese

- | | |
|-------------------------------------|---------|
| • Support for Region initiatives | 58%/25% |
| • Camp Washington | 47%/40% |
| • Christ Church Cathedral | 25%/25% |
| • Intentional Christian Communities | 21%/43% |

While the consulting firm concluded that we at St. James' have the capacity to join in a diocesan capital campaign *now*, the Vestry voted to continue the conversation as part of the discernment in calling our next Rector.

- **Call to Order** - meeting was called to order
- **Opening prayer** – offered by Janet
- **March Vestry minutes** were approved, 1st by Jeanne and 2nd by Lyn, all agreed.
- **Dwelling in the Word** – John 13:1-17, 31b-35 was read twice while we listened to words or phrases that caught our imagination
- **Vigil Sign Up** – It was asked if anyone knew who currently has or the whereabouts of the Vigil Sign Up sheet. After discussion it was thought that Mimi might have it or know where it is.
- **Transition Update** -
 - Discernment meeting update – The team is in the process of conducting the focus groups and are hoping to be done by mid to end of May. This will give them enough time to pull all of the information gathered from these meetings together for the Parish wide church meeting in June. There currently are 8 focus groups. Some questions asked were – Could we post the focus group meeting dates and times up on the website calendar and maybe place in the weekly bulletin? Could/Should we do an interactive sermon in the next few weeks to involve all who are not involved in his process?
- **Ongoing Website Review** –
 - A brief discussion was had about filling out the form for updates/adds/changes to the website please.
- **Committee/Ministries**
 - **Property /Building & Ground Update:** Energy Resources (works with Green Bank) has been in twice and will be sending us list of things we can do to better our electrical and heating bills. They also will be providing a

quote. We also have another company called Prisma Energy Services coming in to do the same and hopefully by next month we will have both proposals to look at.

- Gary reached out and spoke to Jeff M. and Jeff did compromise and brought down the original bill of \$3400 to \$2500, and so he was paid.
 - A & G came out and gave us an estimate of \$6800 to repair the stucco around the chimney and ceilings inside. We are currently looking for other quotes.
 - We are looking into the water pipes and leaking radiator issues.
 - There was an issue with the alarm at the Rectory which has been fixed.
 - We are still waiting on The Standing Committee for finalization with the Rectory property line paperwork.
 - It was stated that the tenants currently living in the Rectory have not paid the electric yet and Joe has reached out once to them already. He will call again to straighten this out.
- **Quarterly Finance Report-**
 - Please see attached documents
 - A motion was made to accept the Financial Report by Beth and 2nd by Jeanne. All approved
 - **Reflection on Financial Feasibility Rapid Study -**
 - Lisa asked how we felt and what our reactions/feelings about the survey. Comments and discussion followed:
 - They received great feedback
 - They did a good job interviewing people
 - Results seem very conceptual still, at this time
 - Information provided seemed pretty accurate
 - Some had mixed feelings regarding starting a Capital Campaign at the moment.
 - Was a great exercise
 - The enthusiasm and willingness to participate from the Parish as a whole was wonderful
 - Results and next steps:
 - So what do we do with this information? Are we really ready for a Capital Campaign?
 - All was discussed and the feelings were: We are not ready at this time to start such an aggressive campaign, but let's

keep moving forward so that we do have a plan in place as to what direction we do want to go.

- It was stated that we should pull information out of the report and provide feedback from the survey to the Parish to read and see.

- **Reflection on the Required Training for Churches in Transition -**

- Lisa asked how we felt about the meeting: Our responses were pretty much in agreement. It was a little repetitive from what we have gone through with Lisa and also with Bevan but was very informative also. It was a good meeting and really brought home the feeling to not be afraid to ask questions. (15 members of St. James Parish attended)

- **Old Business -**

- Spring Training reminder is 4/27/19, 9am to 4m.
- Let's coordinate carpooling. There are others who are going from St. James also so let's reach out to those individuals too.
 - Sandi will be driving up on her own.
- Lisa gave us all some Spring Training Materials for reflection before and after the meeting.

- **New Business -**

- Carrie has given her notice and will not be returning in the fall to teach our Sunday school class. It was briefly discussed and decided that we talk more about options in the coming months.
- Reminder- the May/June Newsletter articles are due by April 25th please.
- The next Vestry meeting will be on May 28th, not May 21st.
- Murder Mystery night, scheduled for 5/11/19, would like approval from the Vestry to allow alcohol - byob. A motion was made by Beth and 2nd by Jeanne, all agreed. It was stated that we will supply non-alcoholic drinks for those that do not drink or choose not to.
- ECW asked if they could do a Bake sale on Mother's Day along with a Mother's Day breakfast - All agreed
- A discussion was had about creating an Event Readiness Committee. We need to have a group that can first define the steps needed and create a process/steps and maybe some forms, so each event can be a positive/successful event. Part of that would be to define what the committee would be responsible for. We also need to find an effective way to get the word out when we are having an event. A way to invite the community around us to join us.

- **Closing Prayer -** The closing prayer was said by all

- **Meeting adjourned**
